

# Qode™

## September 2025 *Qode Perspective*

Hello,

We hope this email finds you well.

Here's a quick roundup of what's been happening at Qode this month — featuring our latest QuickTake, Breakdown, events and more from the research desk.

### Quick*Take*

#### From Active to Passive: How ETFs Are Rewriting the Rules of Wealth in India

For a long time, building wealth meant embracing complexity. Hire multiple managers, track endless reports, and believe that wealth is built from constant activity. But today, building generational wealth looks different. It looks like clarity, transparency, and precision.

### The Breakdown

## SEBI Weekly Expiry Changes Explained: What the New Rules Mean for India's Options Market

India's options market has grown faster than the combined GDP growth of the U.S., Europe, and Japan, faster than India's own economy, and even faster than the number of new investors entering the market.
