Is India's Market Overvalued?

5 Red Flags Every Investor Should Know

The Dream That Traps Most Investors

Every investor begins with the same dream: to grow their money faster and look back one day saying, “I made the right choices.”

That's where it starts, the search for the next big stock, the next “multibagger.”

The Unfair Game

Have you ever wondered why two people start investing at the same time, earn the same income, and yet one builds ₹10 crore while the other struggles to reach ₹1 crore?

Why do some portfolios keep growing even when markets fall, while others lose everything they built in one bad cycle?
